Where the Chair considers it appropriate, the Chair may continue to hold the meeting and transact business, including conducting a poll and voting in accordance with valid proxy instructions.

For this reason, Shareholders are encouraged to appoint a proxy and submit a directed proxy vote, even if they plan to attend the meeting online. Similarly, if a Shareholder is unable to participate in the virtual meeting, or will not have access to a device or the internet, they are encouraged to appoint a proxy and submit a directed proxy vote. See page 10 for further details.

SHAREHOLDERS CAN VOTE AT THE MEETING

- (a) through the online platform; or
- (b) by appointing a proxy (see below).

VOTING ENTITLEMENT TIME

In accordance with Regulation 711.37 of the *Corporations Regulations 2001* (Cth), all securities of the Company that are quoted on ASX at 9:00am (Melbourne time) on Sunday, November 9, 2025 (the **Voting Entitlement Time**), are taken, for the purposes of the above meeting, to be held by the persons who held them at that time. Each resolution considered at the meeting will be conducted by a poll, rather than on a show of hands.

JOINT HOLDERS

When joint holders are named in the register of members only one joint holder may vote. If more than one of the joint holders is present at the meeting, only the person whose name appears first in the register of members will be entitled to vote. If more than one holder votes at the meeting, only the vote of the first named of the joint holders in the register of members will be counted.

Shareholders or their attorneys wishing to vote in person should attend the meeting and can vote through the online platform.

VOTING BY CORPORATE REPRESENTATIVE

Corporate Shareholders or proxies wishing to vote by corporate representative should:

Proxies

1. A Shareholder entitled to attend and vote at the meeting has a right to appoint not more than two proxies to attend and vote in the Shareholder's place.
2. The proxy need not be a Shareholder of the Company. A proxy may be an individual or a body corporate.
3. A Shareholder who is entitled to cast two or more votes may appoint up to two proxies to attend and vote at the meeting and, in the case of such an appointment, should specify the proportion or number of votes each proxy is appointed to exercise. If no such proportion or number is specified, each proxy may exercise half of the votes. Fractions of votes will be disregarded.
4. Where a Shareholder appoints two proxies, on a poll each proxy may only exercise votes in respect of those Shares or voting rights the proxy represents.
5. A proxy may decide whether to vote on an item of business, except where the proxy is required by law or the constitution to vote, or abstain from voting, in his or her capacity as proxy. If a proxy is directed how to vote on an item of business, the proxy may only vote on the item as directed. If a proxy is not directed how to vote on an item of business, the proxy may vote as he or she thinks fit.
6. If the abstention box on the proxy form for any item of business is marked, the proxy will be directed not to vote on a poll and the relevant Shares will not be counted in calculating the required majority on a poll.
7. Shareholders who intend to appoint the Company's Chair as proxy (including an appointment by default) should have regard to the information above under the heading 'Appointing the Chair as your proxy'.
8. The proxy form included in the Notice must be signed by the Shareholder or the Shareholder's attorney and, in the case of a joint holding, by each of the joint holders.
9. If the proxy form is signed by the Shareholder but does not name the proxy or proxies in whose favour it is given, or the proxy does not attend the meeting, the Chair may either act as proxy or complete the proxy form by inserting the name of a Director or the Company Secretary of Opthea.
10. The appointment of one or more duly appointed proxies will not preclude a Shareholder from attending this meeting and voting personally. If the member votes on a Resolution, the proxy must not vote as the member's proxy on that Resolution.
11. To be valid, a proxy form signed under a power of attorney or other authority (if any) must be accompanied by the signed power of attorney, or a certified copy of the power of attorney.
12. Proxies given by a corporation must be signed either under seal or under the hand of a duly authorised attorney. In addition, should the constitution of a corporation permit the execution of documents without using a common seal, the documents must be signed by two directors or a director and a company secretary, or for a proprietary company that has a sole director who is also a company secretary, that sole director.
13. If a body corporate is appointed as proxy, please write the full name of that body corporate (e.g. Company X Pty Ltd). Do not use abbreviations. The body corporate will need to ensure that it:
 - (a) appoints an individual as its corporate representative to exercise its powers at meetings, in accordance with section 250D of the Corporations Act; and
 - (b) provides satisfactory evidence of the appointment of its corporate representative prior to commencement of the meeting.

If no such evidence is received before the meeting, then the body corporate (through its representative) will not be permitted to act as your proxy.

Explanatory Notes

These explanatory notes accompany and form part of, and should be read together with, the Notice.

The Corporations Act requires the financial report (which includes the financial statements and Directors' declaration), the Directors' report and Auditor's report to be laid before the annual general meeting. There is no requirement either in the Corporations Act or Opthea's constitution for Shareholders to approve the financial report, the Directors' report or the Auditor's report. Rather, the purpose of presenting the reports is to give Shareholders an opportunity at the meeting to ask questions and to make comments on these reports.

Time will be allocated in the annual general meeting to deal with any business that may legally be brought before the annual general meeting in accordance with Opthea's constitution and the Corporations Act.

(B) OTHER CURRENT DIRECTORSHIPS

Ms. Connell is currently a director of Avecho Biotechnology Limited (ASX), Proto Axiom Pty Ltd (unlisted), BioNSW a non-for-profit, industry association for Life Sciences in New South Wales (unlisted) and Flinders University Medical Device Research Institute (unlisted).

(C) INDEPENDENCE

Ms. Connell is not considered to have an interest, position or relationship that might influence or reasonably be perceived to influence in a material respect her capacity to bring an independent judgement to bear on issues before the Board and to act in the best interests of the Company and its Shareholders. Accordingly, the Board considers that Ms. Connell is an Independent Director.

RECOMMENDATION

The Board (Ms. Connell abstaining) unanimously supports the re-election of Ms. Connell as a Director and recommends that all Shareholders **vote in favour** of Resolution 2.

Resolution 3

ADOPTION OF REMUNERATION REPORT

Section 250R(2) of the Corporations Act requires the Company to put to its Shareholders a resolution that the remuneration report as disclosed in the Company's 2025 annual report be adopted. The remuneration report is set out on pages 19 to 37 of the 2025 Annual Report which is available at: <https://ir.opthea.com/annual-half-year-reports/> and which has been sent to those Shareholders who have requested the annual report in hard copy form.

Please note that the Corporations Act provides that the vote on this Resolution is advisory only and does not bind the Directors or the Company. The Chair will allow a reasonable opportunity for Shareholders to ask questions about, or make comments on, the remuneration report at the meeting. The Company will take the outcome of the vote on Resolution 3 into consideration and the comments made by Shareholders at the meeting when reviewing the Company's remuneration practices and policies.

In accordance with the Corporations Act, if twenty-five per cent (25%) or more of the eligible votes cast are voted against the adoption of the Company's remuneration report at two consecutive annual general meetings, Shareholders will be required to vote at the second of those annual general meetings on a resolution that another meeting of Shareholders be held within 90 days at which all of the Company's Directors (other than a Director not subject to re-election pursuant to the ASX Listing Rules) who were in office at the date of issue of the relevant second consecutive remuneration report must be put up for re-election.

RECOMMENDATION

Noting that each Director has a personal interest in his/her own remuneration from the Company, the Directors recommend that all Shareholders vote in favour of Resolution 3, approving the adoption of the Company's 2025 remuneration report.

Resolution 4

ISSUE OF OPTIONS TO MR. LAWRENCE GOZLAN UNDER THE NED PLAN

BACKGROUND

The Board approved, subject to receipt of necessary Shareholder approval, and for the reasons set out further in this section, to grant Mr. Gozlan 41,000,000 options under the NED Plan subject to certain vesting conditions and exercise conditions.

The options issued to Mr. Gozlan are to be issued with an exercise price per option equal to the price which represents a 20% premium to the 10 day volume-weighted average price of Shares to be calculated from (and including) the day that the Company's securities are reinstated to quotation on the ASX.

The vesting and exercise conditions in respect of the options issued to Mr. Gozlan are as follows:

- (a) the options will be granted as soon as practicable after the date of the annual general meeting (with the grant date being the date of the annual general meeting);
- (b) the grant of 41,000,000 options will vest equally over three years; and
- (c) once vested, the options are exercisable any time during the ten years after the grant date.

The options will otherwise be granted on terms and conditions consistent with the NED Plan.

Explanatory Notes (continued)

ASX LISTING RULE 10.14

ASX Listing Rule 10.14 provides that an entity must not permit a Director of the Company to acquire equity securities under an employee incentive scheme without the approval of its Shareholders. Accordingly, Resolution 4 is being put to Shareholders for the purpose of approving the acquisition of options over Shares, pursuant to the NED Plan, to Mr. Gozlan.

If Resolution 4:

- Is passed, the Company will be able to proceed with the grant of the options (and on the terms) described in the Notice and explanatory notes and Mr. Gozlan will receive the options;
- Is not passed, the Company will not be able to proceed with the grant of the options described in the Notice and explanatory notes and Mr. Gozlan will not receive the options.

The options approved by Shareholders will be issued no later than three years after the date of the meeting.

REQUIREMENTS OF ASX LISTING RULE 10.15

In accordance with ASX Listing Rule 10.15, the following information is provided in relation to Resolution 4:

- (a) the name of the person: Mr. Gozlan and/or his nominee(s);
- (b) which category in rules 10.14.1 – 10.14.3 the person falls within and why: Mr. Gozlan falls under category 10.14.1 – a director;
- (c) the number and class of securities proposed to be issued: the maximum number of options that can be acquired by Mr. Gozlan under this approval is 41,000,000 options;
- (d) current total remuneration package: Board fee of AUD\$100,000 per annum (excl. superannuation); Committee fees totalling AUD\$56,750 per annum (excl. superannuation) (including Chair of Nominations and Governance and Audit and Risk Committee fees); 30% retention fee of AUD\$47,025 per annum (excl. superannuation);
- (e) number of securities that have previously been issued under the scheme: 6,500,000 options and 500,000 performance rights have previously been issued to Mr. Gozlan under the NED Plan (of which 5,000,000 securities remain outstanding and on issue). There was no acquisition price for such securities;
- (f) if the securities are not fully paid ordinary securities:
 - (i) a summary of the material terms of the securities: the terms of the options are set out in these explanatory notes and the NED Plan – see Annexure A;
 - (ii) an explanation of why options are being used: under his remuneration package, Mr. Gozlan is eligible to participate in the NED Plan. The use of options in the NED Plan is to align director remuneration with the creation of Shareholder value as the value of the options granted to Mr. Gozlan (and therefore the potential issuance of Shares to Mr. Gozlan) is linked to the performance of Opthea. In addition, in order for Opthea to attract and retain quality directors, and given the high priority being placed by the Company on the retention of existing cash to fund the Company's operations, the issuance of options forms part of a desirable remuneration package;
 - (iii) the value Opthea attributes to that security and its basis: under the terms of the NED Plan, no consideration is payable on the grant and, if they vest, the exercise price for each option is payable on exercise of each option. Options granted under the NED Plan are accounted for at the fair value at grant date in accordance with the relevant accounting standard AASB 2: *Share-based payment*. The fair value takes into account the underlying Share price, risk free interest rate, volatility of the underlying Share price and expected dividends. The fair value of the options are expensed in Opthea's Income Statement over the applicable vesting period;

- (g) date of issue of securities: the options under the NED Plan will be issued to Mr. Gozlan as soon as practicable after the date of the annual general meeting (with the grant date being the date of the annual general meeting);
- (h) price at which the entity will issue the securities: no monetary consideration will be payable by Mr. Gozlan for the issue of the options granted under the NED Plan;
- (i) summary of the material terms of the NED Plan: see Annexure A;
- (j) loans: the Company will not grant any loans in connection with the acquisition of options under the NED Plan.

Details of any options issued under the NED Plan will be published in each annual report of the Company relating to the period in which the options are issued, and it will be noted that approval for the issue of the options was obtained under ASX Listing Rule 10.14.

If any additional persons become entitled to participate in the NED Plan after this Resolution is approved and who were not named in the Notice, such persons will not participate until approval is obtained under ASX Listing Rule 10.14.

A voting exclusion statement is included in the Notice.

TERMINATION BENEFIT

Sections 200B and 200E of the Corporations Act prohibit the Company from giving a benefit to a person who holds (or has held in the previous three years) a managerial or executive office with the Company or its subsidiaries, if that benefit is given in connection with that person's retirement from office and is in excess of that person's average annual base salary over the relevant period, unless the benefit is approved by Shareholders.

In accordance with the terms of the NED Plan, the Board has discretion as to whether the options lapse in the circumstance where an officer ceases to be an officer within the Opthea group for any reason. Shareholder approval is therefore sought under sections 200B and 200E of the Corporations Act to allow for the Board to exercise its discretion to allow vesting of the options in the event of cessation of the engagement of Mr. Gozlan (which would otherwise be deemed, and treated as, a termination benefit).

The value of any benefit which may be given to Mr. Gozlan resulting from a determination by the Board that options held by him will not lapse upon cessation of office cannot presently be ascertained. However, matters, events and circumstances that will, or are likely to, affect the calculation of that value are:

- (a) the number of options held by Mr. Gozlan prior to cessation of his engagement and which would have otherwise lapsed;
- (b) the date when, and circumstances in which, Mr. Gozlan ceases to hold office; and
- (c) the market price of the Company's Shares on ASX on the date the Board determines not to allow the relevant options to lapse.

RECOMMENDATION

Mr. Gozlan declines to make a recommendation to Shareholders in relation to Resolution 4 so as to avoid any perceived conflict of interest in making a recommendation on the approval of options by non-executive Directors pursuant to the NED Plan.

The Board (Mr. Gozlan abstaining) unanimously recommends that all Shareholders entitled to vote, **vote in favour** of Resolution 4.

- (e) number of securities that have previously been issued under the scheme: nil. For completeness, Ms. Connell was granted 500,000 unquoted options to acquire fully paid ordinary shares, expiring November 15, 2034 granted as part of her Non-Executive Director Agreement (of which 500,000 securities remain outstanding and on issue);
- (f) If the securities are not fully paid ordinary securities:
 - (i) a summary of the material terms of the securities: the terms of the options are set out in these explanatory notes and the NED Plan – see Annexure A;
 - (ii) an explanation of why options are being used: under her remuneration package, Ms. Connell is eligible to participate in the NED Plan. The use of options in the NED Plan is to align director remuneration with the creation of Shareholder value as the value of the options granted to Ms. Connell (and therefore the potential issuance of Shares to Ms. Connell) is linked to the performance of Opthea. Options granted under the NED Plan are accounted for at the fair value at grant date in accordance with the relevant accounting standard AASB 2: *Share-based payment*. The fair value takes into account the underlying Share price, risk free interest rate, volatility of the underlying Share price and expected dividends. The fair value of the options are expensed in Opthea's Income Statement over the applicable vesting period;
- (g) date of issue of securities: the options under the NED Plan will be issued to Ms. Connell as soon as practicable after the date of the annual general meeting (with the grant date being the date of the annual general meeting);

Details of any options issued under the NED Plan will be published in each annual report of the Company relating to the period in which the options are issued, and it will be noted that approval for the issue of the options was obtained under ASX Listing Rule 10.14.

If any additional persons become entitled to participate in the NED Plan after this Resolution is approved and who were not named in the Notice, such persons will not participate until approval is obtained under ASX Listing Rule 10.14.

A voting exclusion statement is included in the Notice.

TERMINATION BENEFIT

Sections 200B and 200E of the Corporations Act prohibit the Company from giving a benefit to a person who holds (or has held in the previous three years) a managerial or executive office with the Company or its subsidiaries, if that benefit is given in connection with that person's retirement from office and is in excess of that person's average annual base salary over the relevant period, unless the benefit is approved by Shareholders.

In accordance with the terms of the NED Plan, the Board has discretion as to whether the options lapse in the circumstance where an officer ceases to be an officer within the Opthea group for any reason. Shareholder approval is therefore sought under sections 200B and 200E of the Corporations Act to allow for the Board to exercise its discretion to allow vesting of the options in the event of cessation of the engagement of Ms. Connell (which would otherwise be deemed, and treated as, a termination benefit).

Explanatory Notes (continued)

The value of any benefit which may be given to Ms. Connell resulting from a determination by the Board that options held by her will not lapse upon cessation of office cannot presently be ascertained. However, matters, events and circumstances that will, or are likely to, affect the calculation of that value are:

- (a) the number of options held by Ms. Connell prior to cessation of her engagement and which would have otherwise lapsed;
- (b) the date when, and circumstances in which, Ms. Connell ceases to hold office; and
- (c) the market price of the Company's Shares on ASX on the date the Board determines not to allow the relevant options to lapse.

RECOMMENDATION

Ms. Connell declines to make a recommendation to Shareholders in relation to Resolution 5 so as to avoid any perceived conflict of interest in making a recommendation on the approval of options by non-executive Directors pursuant to the NED Plan.

The Board (Ms. Connell abstaining) unanimously recommends that all Shareholders entitled to vote, **vote in favour** of Resolution 5.

Resolution 6

ISSUE OF OPTIONS TO DR. JEREMY LEVIN UNDER THE LTIP

BACKGROUND

The Board approved, subject to receipt of necessary Shareholder approval, and for the reasons set out further in this section, to grant Dr. Levin 48,000,000 options under the LTIP subject to certain vesting conditions and exercise conditions. The Board considers the proposed number of options to be granted is appropriate to:

- (a) provide motivation for Dr. Levin to pursue the long term growth and success of the Company;
- (b) align the interests of key leadership with long term interests of the Company's Shareholders; and
- (c) ensure a clear correlation between performance and remuneration.

The options issued to Dr. Levin are to be issued with an exercise price per option equal to the price which represents a 20% premium to the 10 day volume-weighted average price of Shares to be calculated from (and including) the day that the Company's securities are reinstated to quotation on the ASX.

The vesting and exercise conditions in respect of the options issued to Dr. Levin are as follows:

- (a) the options will be granted as soon as practicable after the date of the annual general meeting (with the grant date being the date of the annual general meeting);

- (c) Where this Rule 3.4(c) applies instead of Rule 3.4(a), the Company will not make an Offer of Options or Rights if the issue of the Options or Rights the subject of the Offer to the Eligible Employee to whom the Offer is made would cause the Company to exceed any limit that applies under the ASIC class order that replaces or modifies Class Order CO 03/184 (when aggregated with the total number of Shares and other financial products required by the replacement or modified class order to be counted towards the limit, and disregarding and excluding all offers, Shares and other financial products that may be disregarded when applying that limit).

Unless otherwise provided in the Offer Document for the Offer, the Company may accept an Eligible Employee's Application in respect of an Offer of Plan Securities by issuing to the Eligible Employee the Plan Securities the subject of the Application. Unless otherwise determined by the Board, the issue of Plan Securities to an Eligible Employee will be constituted by the registration of the Eligible Employee as the holder of the relevant number and type of Plan Securities in a register of holders of Plan Securities maintained by or on behalf of the Company (which may, without limitation, be in electronic form and maintained by the Company's share registrar or other third party service provider). Nothing in any Offer Document or Application, or in these Rules, will be taken to confer on any Eligible Employee any right or title to, or interest in, any Plan Securities until the Plan Securities are issued to the Eligible Employee.

6.5 ENTITLEMENT TO SHARES

- (a) Subject to these Rules, each Option confers on its holder the entitlement to be Allocated one Share following exercise of the Option and payment of the Exercise Price (if any).
- (b) Subject to these Rules, each Right confers on its holder the entitlement to be Allocated one Share.

6.6 INTEREST IN SHARES

A Participant:

- (a) has no right or interest in a Share the subject of an Option or Right held by the Participant unless and until the Share the subject of that Option or Right, as applicable, is Allocated to that Participant following the exercise of the Option or on conversion of the Right under these Rules; and
- (b) does not have any rights to dividends, rights to vote or rights to participate in any new issue of capital of the Company as a result of holding an Option or Right.

Subject to the Corporations Act and the Constitution, Participants will not, as holders of Options or Rights, have any right to attend or vote at general meetings of holders of Shares.

7. Vesting of Options or Rights

7.1 REQUIREMENTS FOR VESTING

Subject to these Rules:

- (a) if the Offer Document for Plan Securities held by a Participant specified any Vesting Conditions and each of the following occurs:
 - (i) the Board determines that the applicable Vesting Conditions have been satisfied in respect of all, or a specified percentage or number of, those Plan Securities; and
 - (ii) if any additional terms were specified in the Offer Document and required to be satisfied before vesting, the Board determines that those additional terms have been satisfied or, in the Board's sole discretion, are not required to be satisfied, then all, or any specified percentage or number determined by the Board, of those Plan Securities will become vested Plan Securities on and from the date of the Board's determination (or any later date determined by the Board); and

Annexure B Long-Term Incentive Plan Rules (continued)

- (b) if the Offer Document for Plan Securities held by a Participant did not specify any Vesting Conditions, the Plan Securities will become vested Plan Securities on and from the vesting date specified in the Offer Document (or any earlier date determined by the Board).

7.2 VESTING NOTICE

If, and within a reasonable period after:

- (a) any Options held by a Participant become Vested Options; or
- (b) any Rights held by a Participant become Vested Rights, the Company must give the Participant a Vesting Notice.

7.3 VARIATION OR WAIVER OF VESTING CONDITIONS AND OTHER TERMS

Subject to Applicable Law, and without limiting Rules 12, 13 and 18.1, the Board may, in its sole discretion and at any time and in any particular case or cases:

- (b) reduce the Performance Period (if any) that applies to any Plan Security held by the Participant;
- (c) in the case of an Option, determine that a new First Exercise Date or Last Exercise Date (or both) will apply to the Option (whether earlier or later than the original date);
- (d) in the case of a Right, determine that a new Share Allocation Date or Share Allocation Period will apply to the Right (whether earlier or later than the original date or period); or
- (e) do any combination of the things referred to in paragraphs (a) to (d) above.

7.4 NOTICE OF VARIATION OR WAIVER

If the Board exercises its discretion to alter any terms of a Plan Security under Rule 7.3 or in reliance on Rule 18.4, the Company:

- (a) must within a reasonable period of the alteration give notice to each Participant affected by the alteration in respect of any Options or Rights held by the Participant; and
- (b) if the Company issued a certificate for the Plan Security, may have to issue a replacement certificate.

8. Exercise of Options

8.1 EXERCISE DURING EXERCISE PERIOD

Subject to Rules 3.2 and 8.2 and the Trading Policy, an Option held by a Participant may be exercised at any time during (and only during) the Exercise Period for that Option.

8.2 EXERCISE CONDITIONS

An Option may not be exercised unless and until it has become a Vested Option.

8.3 EXERCISE OF OPTIONS

Subject to these Rules, Vested Options held by a Participant may be exercised by the Participant giving to the Company:

- (a) a Notice of Exercise duly completed by the Participant;

- (b) If there is an Exercise Price for the Options:
 - (i) payment (in cleared funds) of the amount calculated by multiplying the number of Options being exercised by the Exercise Price; or
 - (ii) payment, or the Participant's agreement to pay, the relevant amount under any 'cashless exercise' arrangement that is acceptable to, and approved by, the Board; and
- (c) If a certificate was issued by the Company in respect of those Options, the relevant certificate.

8.4 CLEARANCE OF EXERCISE PRICE

Unless the Board determines otherwise, the Company is not obliged to Allocate Shares on exercise of Options until payment of the Exercise Price (if any) has been received by the Company in cleared funds from the Participant.

8.5 EXERCISE OR CONVERSION OF ALL OR SOME OPTIONS OR RIGHTS

- (a) A Participant may only exercise Options and convert Rights in multiples of 100 or another multiple that the Board determines, unless the Participant exercises all Options or converts Rights with the same Date of Grant able to be exercised by him or her at that time or under a cashless exercise arrangement.
- (b) The exercise or conversion by a Participant of only some of the Options or Rights held by the Participant does not affect the Participant's right to exercise or convert at a later date other Options or Rights held by the Participant (whether those other Options or Rights have the same First Exercise Date or otherwise).

8.6 REPLACEMENT CERTIFICATE

If a Participant submits a Notice of Exercise in respect of only part of the Options or Rights for which a certificate has been issued by the Company, the Company must issue a certificate stating the remaining number of Options or Rights held by the Participant.

9. Allocation of Shares to satisfy Vested Options or Rights

9.1 REQUIREMENT TO ALLOCATE SHARES

- (a) Subject to these Rules (including Rule 9.5), where any Options held by a Participant become Vested Options and are validly exercised by the Participant in accordance with Rule 8, the Company must Allocate to the Participant the number of Shares that are the subject of the Vested Options that have been exercised, as determined in accordance with these Rules and the Offer Document for those Options.
- (b) Subject to these Rules (including Rule 9.5), where any Rights held by a Participant become Vested Rights, the Company must (without the need for any action by the Participant) Allocate to the Participant the number of Shares that are the subject of those Vested Rights, as determined in accordance with these Rules and the Offer Document for those Rights. For the purposes of these Rules, the Allocation of Shares in respect of Vested Rights constitutes the conversion of Vested Rights.

9.2 METHOD OF ALLOCATION OF SHARES

- (a) Subject to Rule 9.2(b) and Applicable Law, any Shares to be allocated to a Participant under Rule 9.1 may, in the Board's discretion, be allocated by the Company by any one or more of the following means:
 - (i) issuing Shares to the Participant;
 - (ii) procuring the transfer to the Participant of Shares purchased on-market (within the meaning given to that term by the Corporations Act);

Annexure B Long-Term Incentive Plan Rules (continued)

- (iii) procuring the transfer to the Participant of Shares acquired through an off-market transaction (including from any 'employee share trust' within the meaning of the Tax Act that may be established by the Company for the purposes of the Plan); or
 - (iv) procuring the holding of Shares by a person as bare nominee for and on behalf of the Participant.
- (b) The Board may determine and the Offer Document for Options or Rights may specify that any Shares to be allocated to a Participant to satisfy those Options or Rights may:
- (i) only be allocated by a specified method or methods under Rule 9.2(a); or
 - (ii) not be allocated by a specified method or methods under Rule 9.2(a),
- and, where so determined and specified, those Shares may (where paragraph (i) of this Rule applies) only be allocated to the Participant by the specified method or methods or (where paragraph (ii) of this Rule applies) may not be allocated to the Participant by the specified method or methods.

9.3 TIMING OF ALLOCATION OF SHARES

Subject to Applicable Law and the Trading Policy, any Shares to be Allocated to a Participant under Rule 9.1 must:

- (a) in the case of Shares to be Allocated to satisfy Vested Options that have been exercised by the relevant Participant, be Allocated within a reasonable period after the Participant exercises the Vested Options in accordance with these Rules; and
- (b) in the case of Shares to be Allocated to satisfy Vested Rights, be Allocated on (or before) any applicable Share Allocation Date or before the end of any applicable Share Allocation Period (in each case, subject to any variation determined by the Board under Rule 7.3).

9.4 SHARES RANK EQUALLY

Unless otherwise determined by the Board and specified in the Offer Document for the relevant Plan Securities, Shares Allocated to a Participant to satisfy Plan Securities will rank equally with all existing Shares on and from the date of Allocation, including in respect of all rights issues, bonus issues and dividends that have a record date for determining entitlements on or after the date of registration of those Shares in the name of, or on behalf of, the Participant.

9.5 DISCRETION TO SETTLE VESTED PLAN SECURITIES IN CASH

- (a) Notwithstanding any other provision of these Rules, and unless the Offer Document for the relevant Plan Securities specifies that this Rule 9.5 does not apply, the Board may, in its sole discretion (and at any time), determine that, in lieu and satisfaction of a Participant's right to be Allocated Shares in respect of:
 - (i) any or all Vested Options exercised by the Participant; or
 - (ii) any or all Vested Rights held by the Participant,
 the Company will make, or cause to be made, a payment (in Australian dollars) to or for the benefit of the Participant of a cash equivalent amount in respect of the Vested Options or Vested Rights the subject of the Board's determination, as calculated in accordance with Rule 9.6 or in any other manner determined by the Board and specified in the relevant Offer Document (and subject to Rule 9.7).
- (b) Where the Board has made a determination under this Rule 9.5, the Company must make, or cause to be made, the relevant payment to or for the benefit of the Participant by the time that Shares would otherwise have been required to be Allocated to the Participant under Rule 9.3.
- (c) Any payment made to or for the benefit of a Participant in respect of any Cash-Settled Plan Securities in accordance with the relevant determination of the Board under this Rule 9.5 constitutes full and final satisfaction of the Participant's right to otherwise be Allocated Shares in respect of those Cash-Settled Plan Securities.

9.6 CALCULATION OF AMOUNT PAYABLE FOR ANY CASH-SETTLED PLAN SECURITIES

For the purposes of Rule 9.5(a), and subject to the Offer Document for the Cash-Settled Plan Securities, the cash equivalent amount in respect of any Cash-Settled Plan Securities will be calculated by:

- (a) in the case of Equity Shares, multiplying the number of Equity Shares that would (but for payment in accordance with Rule 9.5) be Allocated to the Participant in respect of those Cash-Settled Plan Securities by:
 - (i) if the Equity Shares are quoted on ASX or another securities exchange at the time, the volume weighted average price of Equity Shares traded on ASX (or on the securities exchange or exchanges determined by the Board) over the five trading days preceding, where the Cash-Settled Plan Securities are Options, the date of exercise of the Options or, where the Cash-Settled Plan Securities are Rights, the date on which the Rights became Vested Rights (**Equity Share Valuation Time**); or
 - (ii) if Equity Shares are not quoted on ASX at the time, an amount reasonably determined by the Board to be equivalent to the value of an Equity Share at the Equity Share Valuation Time;
- (b) in the case of ADSs, multiplying the number of ADSs that would (but for payment in accordance with Rule 9.5) be Allocated to the Participant in respect of those Cash-Settled Plan Securities by:
 - (i) If ADSs are quoted on Nasdaq or another securities exchange at the time, the volume weighted average price of ADSs traded on Nasdaq (or on the securities exchange or exchanges determined by the Board) over the five trading days preceding, where the Cash-Settled Plan Securities are Options, the date of exercise of the Options or, where the Cash-Settled Plan Securities are Rights, the date on which the Rights became Vested Rights (**ADS Valuation Time**); or
 - (ii) If ADSs are not quoted on Nasdaq at the time, an amount reasonably determined by the Board to be equivalent to the value of an ADS at the ADS Valuation Time;and, in each case, where the Cash-Settled Plan Securities are Options, reducing the resulting amount by the aggregate Exercise Price (if any) for the number of Vested Options in respect of which the cash equivalent amount is to be paid. If the resulting number is a fractional number, it will be rounded down to the next lower whole cent.

9.7 TAX WITHHOLDING AND SUPERANNUATION CONTRIBUTIONS

- (a) The Company will deduct or withhold, or cause to be deducted or withheld, from any amount paid or payable to a Participant in respect of any Cash-Settled Plan Securities any Tax and other amounts required by law to be deducted or withheld from the payment.
- (b) Any amount payable to or for the benefit of a Participant in respect of any Cash-Settled Plan Securities in accordance with the relevant determination of the Board under Rule 9.5 will be payable such that the total of:
 - (i) the amount payable to the Participant (before any applicable deduction or withholding for Tax or other amounts under 9.7(a) above); plus
 - (ii) the amount of any contribution that any Group Company makes, will make or is required or has agreed to make, to an Australian superannuation fund for the benefit of the Participant that is or will be attributable or referable to any amount paid or payable to the Participant in accordance with the Board's determination under Rule 9.5, is equal to the cash equivalent amount in respect of those Cash-Settled Plan Securities determined in accordance with Rule 9.5 (and, if applicable, Rule 9.6).
- (c) For the purposes of Rule 9.7(b) (and without limitation), a Group Company will be taken to be required to make a contribution if it is required to make the contribution in order to ensure that it will have no liability or potential liability to pay any superannuation guarantee charge (as defined in the *Superannuation Guarantee (Administration) Act 1992 (Cth)*) in respect of the amount paid or payable to the relevant Participant in respect of the relevant Cash-Settled Plan Securities.

Annexure B Long-Term Incentive Plan Rules (continued)

- (d) To the maximum extent permitted by law, in no event will the amount payable to a Participant under Rule 9.5 be included in any definition of pensionable or other earnings or salary (however defined) for the purpose of calculating any contributions payable to any Australian superannuation fund for the benefit of the Participant.

10. Lapse of Options and Rights

10.1 LAPSE OF PLAN SECURITIES WHERE VESTING CONDITIONS NOT SATISFIED

- (a) If the Board determines that the Vesting Conditions (if any) applicable to all or a specified number or percentage of the Plan Securities held by a Participant have not been satisfied and should therefore lapse, all or the relevant percentage or number (as the context requires) of those Plan Securities will lapse with effect from the date on which the Board makes this determination (or, if the Board specifies a later lapse date when making this determination, on that later date).
- (b) If the Board determines that the Vesting Conditions (if any) applicable to all or a specified number or percentage of the Plan Securities held by a Participant are not capable of being satisfied in accordance with their terms and should therefore lapse, all or the relevant number or percentage (as the context requires) of those Plan Securities will lapse with effect from the date on which the Board makes this determination (or, if the Board specifies a later lapse date when making this determination, on that later date).

10.2 LAPSE OF PLAN SECURITIES ON CESSATION OF EMPLOYMENT IN CERTAIN CIRCUMSTANCES

- (a) Subject to the terms specified in the Offer Document for the relevant Plan Securities and unless otherwise determined by the Board (at any time and whether before or after cessation of employment), all Unvested Plan Securities held by a Participant will lapse:
- (i) If the Participant ceases to be employed within the Group due to his or her Termination for Cause, with effect from the Cessation Date;
 - (ii) If the Participant ceases to be employed within the Group due to his or her Resignation, with effect from the Cessation Date; or
 - (iii) If the Participant ceases, or will cease, to be employed within the Group in any circumstances not covered by paragraphs (i) or (ii) above and the Board determines that, in those particular circumstances, all of the Participant's Unvested Plan Securities should lapse (for example, because the circumstances involve the Participant's poor or inadequate performance), with effect from the Cessation Date or any earlier or later lapse date determined by the Board.
- (b) Unless otherwise determined by the Board, if:
- (i) a Participant ceases to be employed within the Group for any reason or in any circumstances;
 - (ii) the Participant holds Unvested Plan Securities that have not lapsed under Rule 10.2(a)(i) or (ii) and the Board has not determined that all of those Unvested Plan Securities should lapse under Rule 10.2(a)(iii); and
 - (iii) the Offer Document for those Unvested Plan Securities specified that this Rule 10.2(b) applies or the Board otherwise determines that this Rule 10.2(b) applies,
- then a proportion of the Participant's Unvested Plan Securities will lapse with effect from the Cessation Date, being the proportion determined in accordance with Rule 10.2(c) (and rounded to the next higher whole number).

- (c) Where Rule 10.2(b) applies, unless otherwise determined by the Board, the proportion of Unvested Plan Securities held by a Participant that will lapse under that Rule will be:
 - (i) subject to paragraph (ii), equal to the proportion that the number of days in the period starting on the day after the Participant's Cessation Date and ending on the last day of the Performance Period applicable to those Plan Securities (or, if no Performance Period applies to those Plan Securities, ending on the date specified in Rule 7.1(b)) bears to the total number of days in the Performance Period (or, if no Performance Period applies to those Plan Securities, to the total number of days between the Date of Grant and the date specified in Rule 7.1(b)); or
 - (ii) If the Offer Document for those Plan Securities specified that the proportion was to be determined on a different basis to that set out in Rule 10.2(c)(i), the proportion determined in the manner specified in the relevant Offer Document.
- (d) Any Plan Securities held by a Participant that do not lapse by operation of this Rule 10.2 or determination of the Board as a result of the Participant ceasing to be employed within the Group will continue to be held by the Participant subject to these Rules and the terms and conditions set out in the Offer for those Plan Securities.
- (e) For the purposes of these Rules (and any Offer Document), a Participant ceases to be employed within the Group if and when the Participant is no longer employed by, and no longer holds any other office with, any body corporate within the Group.

10.3 LAPSE OF PLAN SECURITIES TO PREVENT INAPPROPRIATE BENEFITS

Subject to the terms specified in the Offer Document for the relevant Plan Securities and unless otherwise determined by the Board (at any time), some or all of any Unvested Plan Securities that have not otherwise lapsed under this Rule 10, or Vested Plan Securities (or both), held by a Participant will lapse:

- (a) If, and with effect from the date on which, the Board determines that the relevant Plan Securities should lapse because, in the Board's opinion, the Participant:
 - (i) has been, or could be, dismissed or removed from his or her employment in the Group for a reason that entitles a Group Company to dismiss the Participant without notice;
 - (ii) has committed an act of fraud, misappropriation or serious misconduct in relation to the affairs of the Group or any Group Company (whether or not charged with an offence);
 - (iii) has done an act which brings the Group or any Group Company into disrepute or causes material damage to any Group Company;
 - (iv) has been convicted on indictment of an offence against the Corporations Act in connection with the affairs of the Company or any Group Company;
 - (v) has had a judgement entered against him or her in civil proceedings in respect of the contravention by the Participant of his or her duties at law, in equity or under statute in his or her capacity as an executive or Director of the Company or any other Group Company;
 - (vi) has materially breached his or her obligations to any Group Company;
 - (vii) has performed below expectations or requirements (whether or not any performance-based Vesting Conditions have been or are likely to be met);
 - (viii) has materially breached any policy of the Company (including, without limitation, the Trading Policy or the Company's policy (if any) on the hedging of long-term incentives) or of any Group Company; or
 - (ix) has dealt with the Options or Rights in breach of the Rules;

- (d) if, in the opinion of the Board, the Plan Securities are liable to clawback under any Clawback Policy.

10.4 LAPSE OF PLAN SECURITIES WHERE A CORPORATE CONTROL EVENT OCCURS

If the Board makes a determination under Rule 13.1(c) that any Plan Securities held by a Participant will lapse, those Plan Securities will lapse on the date determined by the Board under that Rule 13.1(c).

10.5 LAPSE OF OPTIONS ON LAST EXERCISE DATE

10.7 ENTITLEMENTS AND RIGHTS CEASE

On the lapse of a Plan Security under this Rule 10, all rights of a Participant in respect of the Plan Security under the Plan cease and no compensation will be payable to the Participant for the lapse of the Plan Security.

11. Dealings with Options and Rights

11.1 OPTIONS AND RIGHTS PERSONAL

Except where Options or Rights have been transferred under Rule 11.3, Options and Rights held by a Participant are personal to the Participant and, in the case of Options, may not be exercised by another person.

11.2 NO UNAUTHORIZED DISPOSAL

Except as permitted under Rule 11.3, a Participant must not dispose of or grant a Security Interest over, or otherwise engage in any Dealing with, an Option or Right or any interest in an Option or Right, and any Security Interest or disposal or dealing granted or undertaken contrary to this Rule is not recognized in any manner by the Company.

11.3 PERMITTED TRANSFER OF OPTIONS AND RIGHTS

The Board may determine that Options or Rights may be transferred, by an instrument of transfer, where the transfer would be:

- (a) a transfer constituting the necessary transfer documents following an acceptance of an offer made under an off-market bid made under Chapter 6 of the Corporations Act relating to Options or Rights;

The Board must notify Participants if a circumstance set out in this Rule 11.3 occurs and the Board authorizes transfer of Options or Rights pursuant to this Rule.

12. Participation rights, bonus issues, rights issues, reorganizations of capital and winding up

12.1 APPLICATION OF THIS RULE

This Rule 12 only applies to Participants who hold Options or Rights that have not lapsed in accordance with the Rules.

12.2 NEW ISSUES

A Participant is not entitled to participate in any new issue to existing holders of securities in the Company by virtue of holding an Option or Right unless:

- (a) in the case of an Option, the Option has become a Vested Option and been validly exercised by the Participant; or
- (b) in the case of a Right, the Right has become a Vested Right and been converted,

and a Share has been issued or transferred to, and registered in the name of, the Participant (in satisfaction of the Option or Right) before the record date for the determination of entitlements to the new issue of securities (in which case, the Participant will participate in the new issue as a result of being the holder of the Share).

The Company will give Participants, in accordance with the Listing Rules, notice of any new issue of securities before the record date for determining entitlements to the new issue.

12.3 BONUS ISSUES

If the Company makes a bonus issue of Shares or other securities to existing holders of Shares (other than an issue in lieu or in satisfaction of dividends or by way of dividend reinvestment) and no Share has been Allocated in respect of an Option or Right held by a Participant before the record date for determining entitlements to the bonus issue, then:

- (a) the number of Shares to which the Participant is entitled on exercise of the Option or conversion of the Right (as applicable) will be increased by the number of Shares that the Participant would have received if the Participant had exercised the Option or the Right had converted (as applicable) and acquired the underlying Share prior to such record date; and
- (b) in the case of an Option, no change will be made to the Exercise Price (if any).

Annexure B Long-Term Incentive Plan Rules (continued)

12.4 PRO-RATA ISSUES

If the Company makes a pro-rata issue of Shares to existing holders of Shares (other than a bonus issue, or an issue in lieu or in satisfaction of dividends or by way of dividend reinvestment) and no Share has been Allocated in respect of an Option or Right before the record date for determining entitlements to the Issue, then:

- (a) in the case of an Option, the Exercise Price (if any) of the Option will be reduced in accordance with the relevant formula set out in the Listing Rules applying to options at the time of the pro-rata issue, and there will be no change to the number of Shares to which the relevant Participant is entitled on exercise of the Option; and
- (b) in the case of a Right, but subject to Rule 18.3, the Board may determine, in its sole discretion, whether any adjustment will be made to the terms of the Right (including, without limitation, whether or not there will be any resulting increase in the number of Shares to which the relevant Participant will be entitled on conversion of the Right and the manner in which any such increase will be calculated).

12.5 REORGANIZATION OF CAPITAL

If, prior to the Allocation of Shares to a Participant in respect of Options or Rights held by the Participant, there is a reorganization of capital of the Company (including a consolidation, subdivision, reduction or return of capital), then the rights of each Participant (including, where applicable, the number of Options or Rights (or both), and the Exercise Price (if any) of any Options, held by the Participant) will be amended to the extent necessary to comply with the ASX Listing Rules applying to a reorganization of capital at the time of the reorganization (whether or not the ASX Listing Rules apply to the Company at the time and, in the case of Rights, on the same basis as required by the ASX Listing Rules applying to Options).

12.6 WINDING UP

If, while a Participant holds Options or Rights, a resolution for a members' voluntary winding up of the Company is proposed (other than for the purpose of a reconstruction or amalgamation) the Board may, in its sole discretion:

- (a) in the case of Options, give written notice to the Participant of the proposed resolution, in which case, subject to the applicable Vesting Conditions (if any) being satisfied (or waived by the Board), the Participant may, during the period referred to in the notice, exercise the Option provided that no Option will be capable of exercise later than the Last Exercise Date; and
- (b) in the case of Rights, determine that the Rights are Vested Rights and that on conversion, Shares will be Allocated in respect of the Rights on a date specified by the Board and notified to the Participant.

12.7 ROUNDING

For the purposes of this Rule 12, if Options are exercised simultaneously or Rights are converted simultaneously, then the number of Shares or fractions of Shares that the Participant is entitled to be Allocated in respect of those Options or Rights may be aggregated and, in the case of Options with an Exercise Price, the Exercise Price payable by the Participant in respect of those Options may be aggregated. Fractions in the aggregate number or amount will be dealt with as follows (unless otherwise required by the Listing Rules):

- (a) fractions in the aggregate number of Shares that the Participant is entitled to be Allocated on such exercise or conversion will be rounded down to the next lower whole number; and
- (b) fractions in the aggregate Exercise Price of Options payable by the Participant on exercise of those Options will be rounded up to the next higher whole cent.

12.8 CALCULATIONS AND ADJUSTMENTS

Any calculations or adjustments which are required to be made under this Rule 12 will be made by the Board and, in the absence of manifest error, are final and conclusive and binding on the Company and each Participant.

12.9 NOTICE OF CHANGE

The Company must, within a reasonable period, give to each Participant notice of any change under Rule 12 to the Exercise Price (if any) of any Options held by a Participant or to the number of Shares that the Participant is entitled to be Allocated following exercise of an Option or conversion of a Right.

13. Corporate Control Events

13.1 TREATMENT OF PLAN SECURITIES ON A CORPORATE CONTROL EVENT

Subject to Rule 13.4 and Applicable Law, and without limiting Rule 7.3, the Board may, in its sole discretion, determine that, where a Corporate Control Event has occurred or occurs in the future, any one or more of the following things will occur:

- (a) all or a specified proportion of any Unvested Rights then held by a Participant will be taken to have become vested Plan Rights (and that any Vesting Conditions applicable to those Unvested Rights that have not been, or are not then capable of being, satisfied will be waived), on a date determined by the Board, and that the Share Allocation Date or Share Allocation Period for those Rights will be brought forward to an earlier date or period determined by the Board;
- (b) all or a specified proportion of any Unvested Options then held by a Participant will be taken to have become vested Options (and that any Vesting Conditions applicable to those Unvested Rights that have not been, or are not then capable of being, satisfied will be waived), on a date determined by the Board, and that the First Exercise Date or Last Exercise Date (or both) for those Options will be brought forward to an earlier date or dates determined by the Board;
- (c) if the Board has determined under paragraph (a) or (b) above that a specified proportion of any Unvested Rights or Unvested Options then held by a Participant will be taken to have become vested Rights or Options (as the context requires), the balance of those Unvested Rights or Options will lapse on a date determined by the Board (or otherwise remain on foot);
- (d) the First Exercise Date or Last Exercise Date (or both) for any Vested Options then held by a Participant will be brought forward to an earlier date determined by the Board; or

In making any determination under Rule 13.1 as to a specified proportion of any Unvested Plan Securities that will be taken to become Vested Plan Securities, the Board may (without limitation) have regard to either or both of the following:

- (a) the proportion of the Performance Period applicable to those Unvested Plan Securities (or, if no Performance Period applies to the Unvested Plan Securities, the proportion of the period from the Date of Grant of those Plan Securities to the date specified in Rule 7.1(b)) that has, or will have, elapsed when the relevant Corporate Control Event occurs (or by any later date determined by the Board); and
- (b) the extent to which any performance-based Vesting Conditions would be satisfied if they were measured and applied by reference to performance against those performance conditions up to, or at the time of, the relevant Corporate Control Event or Board determination, and expectations of future performance against those conditions.

13.4 TERMS OF OFFER PREVAIL

If the Board makes a determination under Rule 13.1 before an Offer of Plan Securities is made to an Eligible Employee, details of that determination must be included in the Offer Document for that Offer and the treatment of those Plan Securities where a Corporate Control Event occurs will be determined in accordance with that determination to the extent that it is applicable in relation to the particular Corporate Control Event, but that determination will not otherwise be taken to limit the Board's powers under Rule 13.1.

14. Restriction on disposal of Shares acquired pursuant to exercise of Options or conversion of Rights

14.1 RESTRICTED SHARES

This Rule 14 applies to Shares Allocated to a Participant pursuant to exercise of Options or conversion of Rights (as applicable) if the Offer Document for those Options or Rights specified that any Shares so Allocated would be subject to restrictions on disposal under this Rule 13 and the period for which these restrictions would apply (Restriction Period). 16.2 RATIFICATION OF ACTIONS

18.5 EXERCISE OF DISCRETIONS UNDER RULES
